Dear Kendo Friends!

The International Kendo Summer Camp exists since 2008. The idea was born in Berlin. Since our moving to the Austrian Alps the venue is there. The IKSC Lesachtal in 2018 and 2019 have been a great success. Last year Tani Katsuhiko sensei from Japan was the special guest for this camp. It was a wonderful time for everyone. Now we proudly present:

## IV. International Kendo Summer Camp Lesachtal 2024

**August 14<sup>th</sup> to August 17<sup>th</sup>**

**led by Dr. Jörg Potrafki, 7. Dan**

**Headline:  
How to break the kamae!**

### **1) Special guest: ???**

Similar to last year, a highly qualified Japanese player is invited. Regardless of the Japanese guest teacher, the basic idea and atmosphere of the IKSC is guaranteed this year too.

### **2) Dan-Test-Examinations:**

... up from 4<sup>th</sup> Dan will be offered at the end of the seminar for members who like to do this. In examinations usually the successful members are in center. We change the perspective and focus the unfortunate. The test is an option which needs a registration during the seminar and a small fee.

The fundamental idea of IKSC intends to have keiko with friends and enjoy the summer time. In a very relaxed practice situation it is easy to learn individual points. A clear structure of kihon, waza and jigeiko supports the development process. Several high quality players and teachers with 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> Dan announced their presence as usual. Traditionally the practice part ends with the Team-shiai of all participants. The seminar ends with the traditional barbecue in our garden. Please visit our seminar completely. Part time practice is not in the way of this idea. The dojo area could be used as sleeping place. Low price accommodations are easy to find in our beautiful valley. Summer time is perfect for discover the area of surrounded Carnic Alps.
